Additional fees

If a child applies to the school with an IEP in place, this will normally incur an additional charge equivalent to 10hrs of planning time and small group work, a supplement of up to £1200 per term. This charge applies to all children with IEPs where extra teaching is needed and this will be assessed and reviewed up to Year 9 as part of the IEP review process. Pupils in Year 10 and Year 11 are already taught in small year groups and the fee reflects this, so no charge is levied here. A charge of £35 will be levied for additional reports to practitioners such as Educational Psychologists and other Therapists.

The final say on fees is the decision of Trustees.
