## CELEBRATION ASSEMBLY – by Naomi

In today's assembly I talked about International Women's Day. The aim of this was to educate the rest of the school about the importance of this day and honouring significant women in our lives and impactful women who have influenced the world.

In tutor time I arrange for our tutors to hand out a small card for students to write down a message to show an appreciation for a female in their life.

## Bishop's Stortford Pupil Voice Network

On Thursday 23rd March 2023 6 students from the upper juniors and lower seniors attended the Bishops Stortford Pupil Voice Network with several other schools from the local area.

The purpose was to gather like-minded students that are willing to get involved in school councils, eco schools and the community. The students had the opportunity to share their ideas and network with other students with the aim of coming away with ideas we could implement at TCST or our local Takeley Community.

## PSHE - Key Stage 2.

Last Thursday, the juniors welcomed a visitor - Ken Mulholland, a social worker from Essex County Council. Ken told the classes about social work and set some exciting challenges about equality and prejudice. This circle time was stimulating and thought-provoking. The children were buzzing with ideas; everyone explained how much they had enjoyed the session.

## Blessing:

Isaiah 41:10

Don't fear, because I am with you; don't be afraid, for I am your God.

I will strengthen you, I will surely help you;

I will hold you with my righteous strong hand.
