DAZZLE.

Thank you to everyone who has supported us this week and, in the run, up to our performances. When the whole school community comes together there is incredible memory making magical moments.

Thank you to our sponsors: Hampton by Hilton, Harrods Aviation (Stansted), Limelight Musicals, Lyon Cole Limited, Piek Solutions Property Maintenance, Space Scope, Taylor Milburn and The Surgical Consortium.

We hope you enjoy this selection of photographs together with some of the reviews we have received from those who visited our Dazzle Bay Fun Palace:

*Amazing how you manage to find the strengths in all the kids and push them a little further. It was fantastic to watch them grow in confidence all week. Such an important life skill for them all & seeing their faces tonight it is something that will always stay with them. As a parent thank you for all your hard work.

What a show!!

My wife and I had the privilege of being at the first night's performance and as with all shows the first night is never going to be perfect ... but everyone tries to come up with the best they have to offer, Tuesday's performance had hiccups, but the children absolutely nailed it.

The musical score was brilliant, the singing was harmonious, and the soloists were fab, I had my favourite's but I'm keeping who they were to myself for now.

Then there was the "add libbing" ha ha !! I loved it.... that's not taught that comes naturally.

The Children's enthusiasm was infectious and was most certainly felt by all of us in the audience, a young boy a couple of seats away from me spent most of his time dancing and clapping along with the stars on the stage.

The story line was of tragedy, greed, romance and a happy ending and left the audience wanting more.

The set was perfect and captured the imagination of a sunny seaside fun palace right here in the Takeley Christian School Hall.

Congratulations to each and every one that contributed to making the show the success that it was.

Thank you so very much.

And so the lights of the Dazzle Bay Fun Palace are turned off.

Thank you.

ECO CLUB

The Eco team are delighted to be working with the Woodland Trust to help increase biodiversity on our school grounds. We have applied for 30 saplings to be planted at the school in the Autumn. Watch this space for how you can help us with planting!

We have also started to roll out a new initiative that aims to reduce unnecessary use of lighting around the school.

Jesus said to her, "I am the resurrection and the life.

The one who believes in me will live, even though they die;

and whoever lives by believing in me will never die..
